- D. In the event of termination by the Company for cause (i.e. the breach of this agreement or other wrongdoing or unethical conduct by the IB), IB shall not be entitled by any further compensation beyond that which it had previously received.

- E.** Upon the termination of this agreement, the parties hereto agree to cooperate with each other with respect to (a) the liquidation and/or transfer of open positions in customer accounts, and (b) the closing or transfer of the customer accounts.

15. Severability

Nothing contained herein shall be construed as requiring the commission of any act contrary to law. In the event that any provision of this agreement is found to be contrary to law, such provisions shall be curtailed and limited only to the extent necessary to bring it within the requirements of the law. In the event that any part, paragraph, sentence, or clause of this agreement shall be held to be indefinite, invalid or otherwise unenforceable, the entire agreement shall not fail on account thereof, and the balance of the agreement shall continue in full force and effect.

16. Assignability

The Company may at any time assign this agreement and the rights granted herein to any third party in cases, without limitation, where there is any reorganisation of the Company, merger or acquisition of the Company with a third party, upcoming winding up of the Company, or sale or transfer of all or part of the business or the assets of the Company to a third party. This agreement and the rights granted herein may not be assigned or otherwise transferred by the IB to any other party.

19. Force Majeure
